# Shapes Stay the Same!

A shape is still a shape, no matter how big or small!

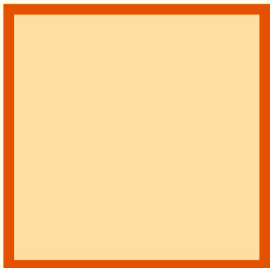

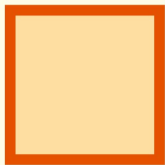

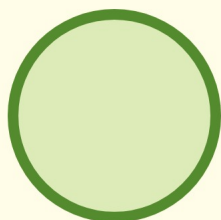

Look! A circle is **always** a circle.

A square is **always** a square.

Draw a line to match the shapes that are the same.

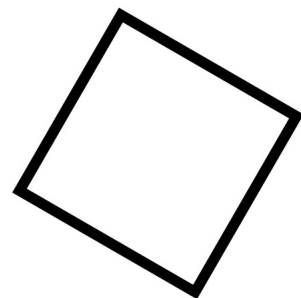

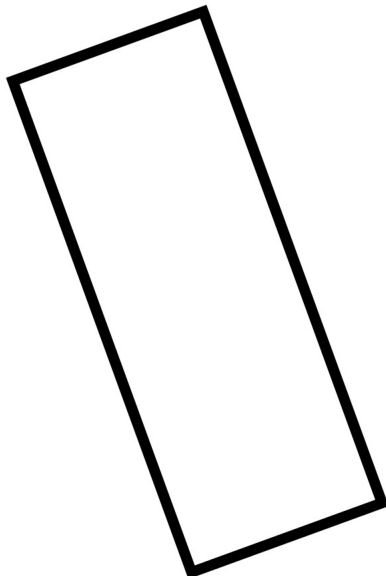

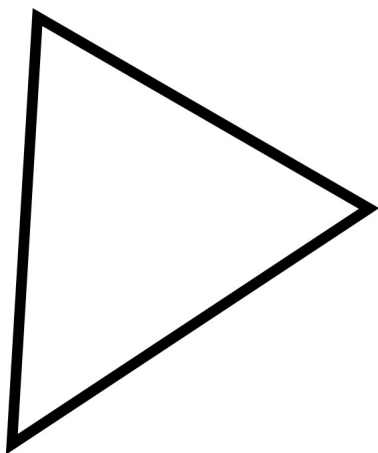

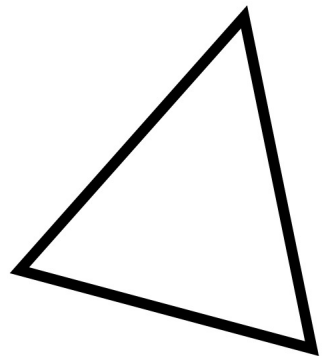

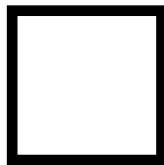

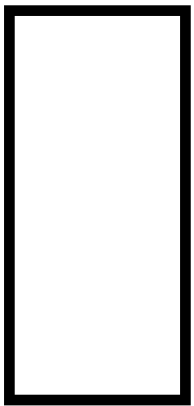

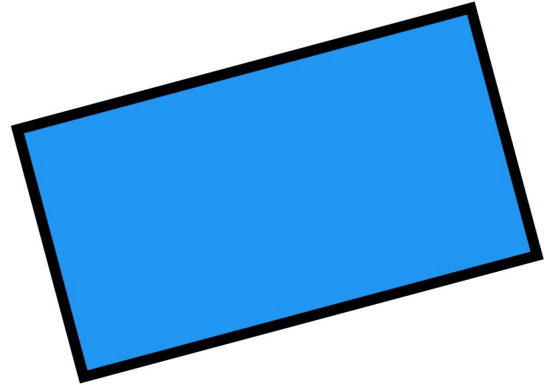

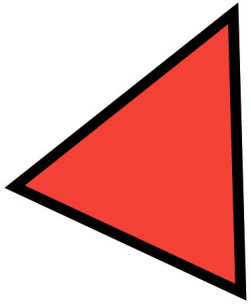

# Find the Matching Shapes

Use a **blue** crayon to color all the **triangles**.

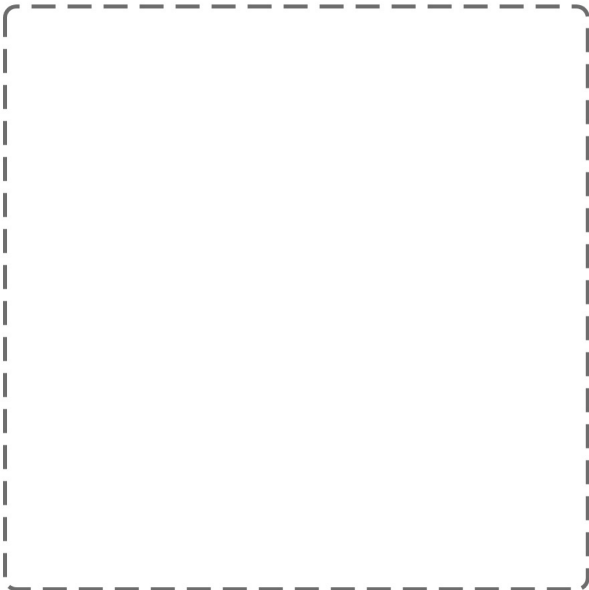

Use a **red** crayon to color all the **rectangles**.

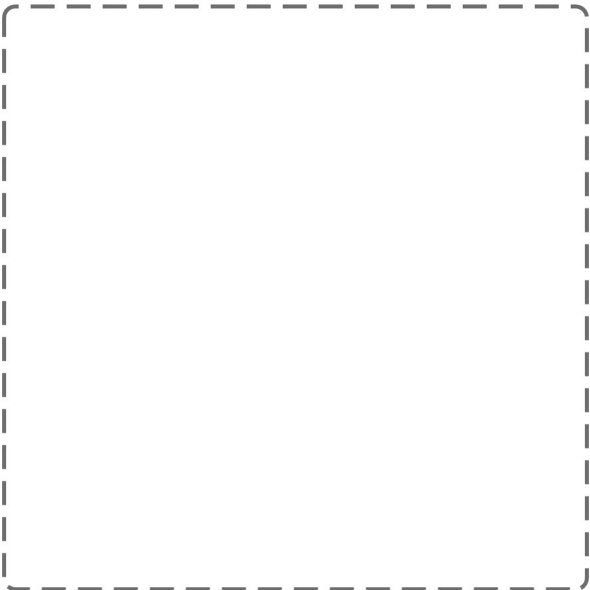

# Your Turn to Draw!

Draw a small, medium, and large version of each shape in the boxes below.

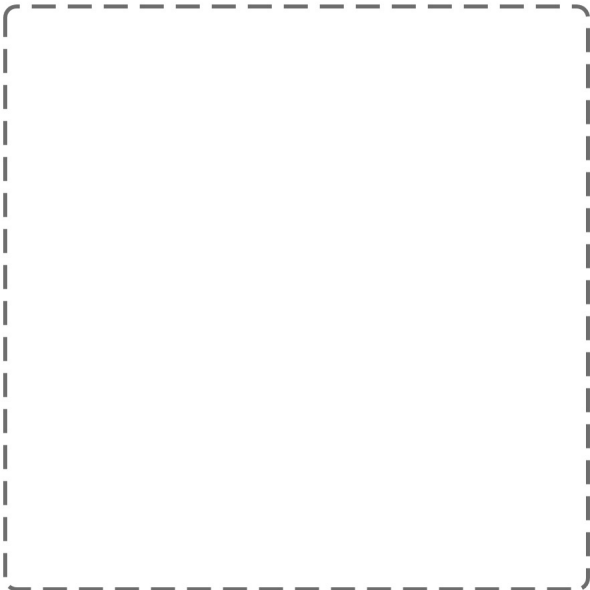

Small Circle

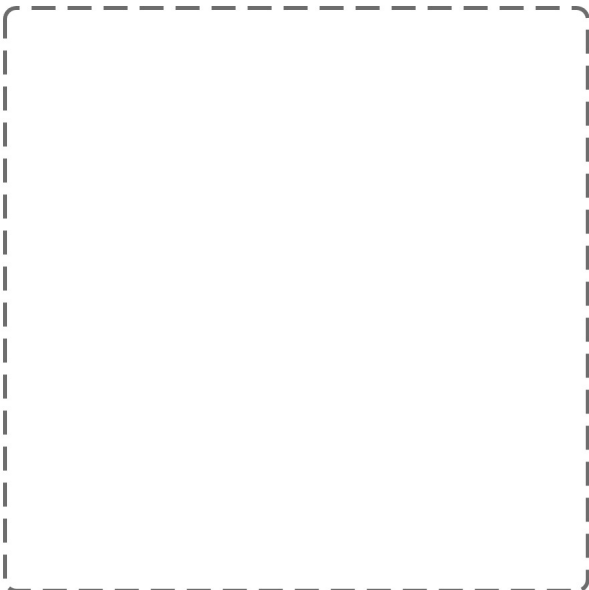

Medium Circle

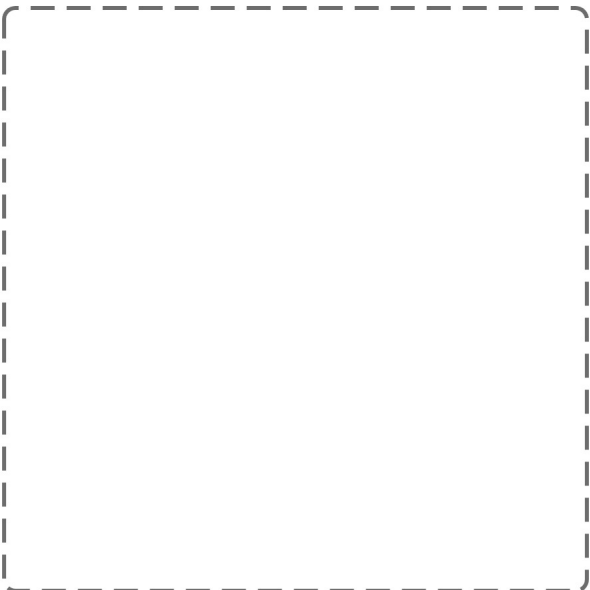

Large Circle

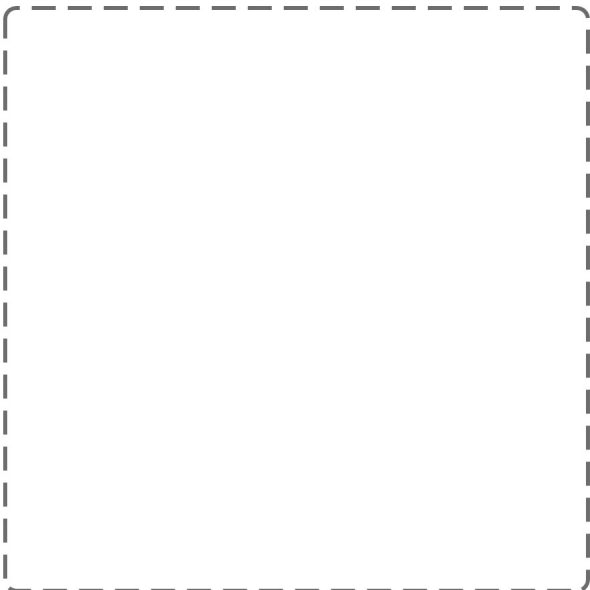

Small Square

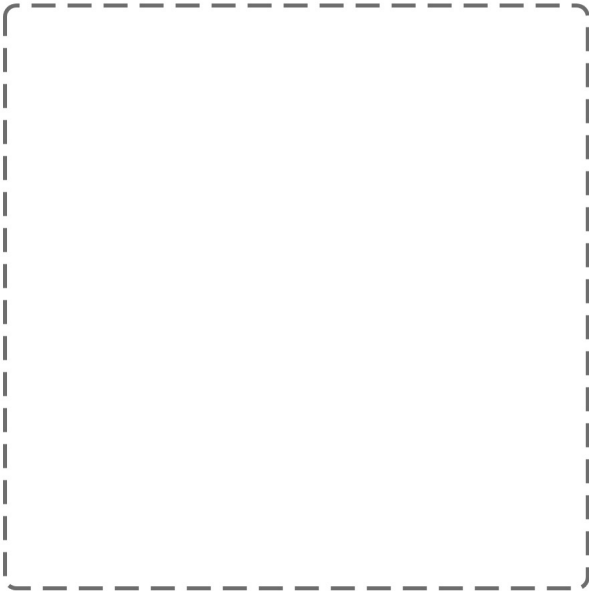

Medium Square

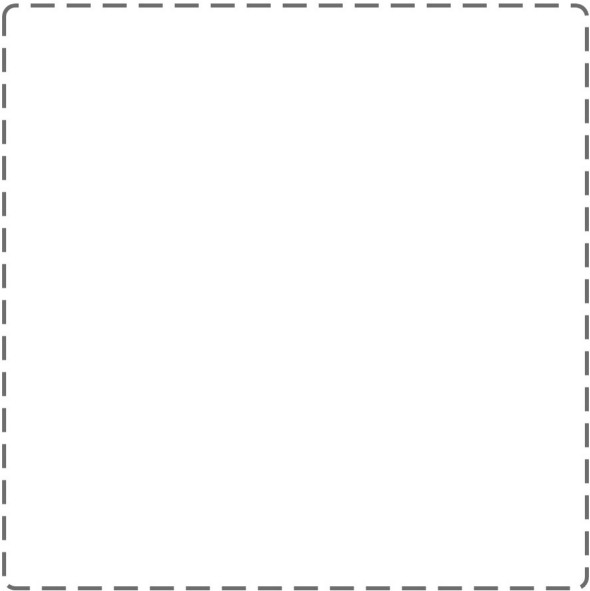

Large Square

Small Triangle

Medium Triangle

Large Triangle
